**Servicing**

You will be a joint beneficiary with others on this note and you should request a list of names and addresses of the beneficiaries as of the close of escrow from the broker or servicing agent. The beneficiary(ies) holding more than 50% interest in the note may govern the actions to be taken on behalf of all holders in the event of default or other matters. See Civil Code Section 2941.9.

**Loan To Value**

GENERALLY the aggregate principal amount of the notes or interests sold, together with the unpaid principal amount of any encumbrances upon the real property senior thereto, shall not exceed the following percentages of the current market value of the real property as determined in writing by the broker or qualified appraiser.

Single-family residence, owner-occupied .....	80%
Single-family residence, not owner-occupied .....	75%
Commercial and income-producing properties .....	65%
Single-family residentially zoned lot or parcel which has installed off-site improvements including drainage, curbs, gutters, sidewalks, paved roads, and utilities as mandated by the political subdivision having jurisdiction over the lot or parcel .....	65%
Land which has been zoned for (and if required, approved for subdivision as) commercial or Residential development .....	50%
Other real property .....	35%

The percentage amounts specified above may be exceeded when and to the extent that the broker determines that the encumbrance of the property in excess of these percentages is reasonable and prudent considering all relevant factors pertaining to the real property. However, in no event shall the aggregate principal amount of the notes or interests sold, together with the unpaid principal amount of any encumbrances upon the property senior thereto, exceed 80 percent of the current fair market value of improved real property or 50 percent of the current fair market value of unimproved real property, except in the case of a single-family residentially zoned lot or parcel as defined above, which shall not exceed 65% of current fair market value of that lot or parcel. A written statement shall be prepared by the broker that sets forth the material considerations and facts that the broker relies upon for his or her determination which shall be disclosed to the lender or note purchaser(s) and retained as a part of the broker's record of the transaction.

**PART 5****SERVICING ARRANGEMENTS**

If the loan is to be serviced by a real estate broker you must be notified within ten (10) days if the broker makes any advances on senior encumbrances to protect the security of your note. Depending on the terms and conditions of the servicing contract, you may be obligated to repay any such advances made by the broker. (Note: There must be a servicing agent on multi-lender transaction.) The broker may not guarantee or imply to guarantee, or advance any payments to you unless a securities permit is obtained from the Department of Corporations.
